

Fast, Convenient, Easy!

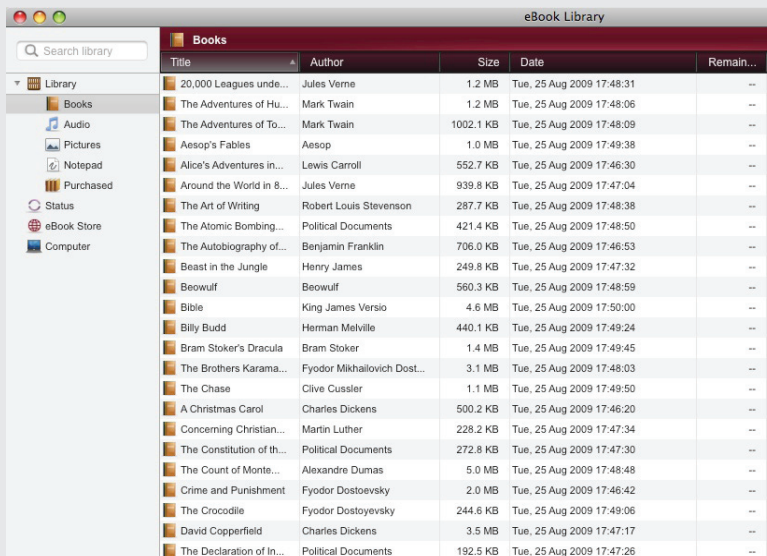

Access Your Summaries Directly from your Sony Reader.

Step 1:

From your computer, log in to www.getabstract.com and browse the library. Select a title you wish to download. Click the iPad, Sony, Nook button, and download the summaries to your desktop.

If you access getAbstract through your Learning Management System (LMS) or intranet, please log in with your company's credentials. Within the LMS or intranet, click on the getAbstract link. You will be logged in automatically. To obtain your getAbstract credentials please contact your eLearning manager or contact us at corporate@getabstract.com.

Note: For audio summaries, click the Audio button and choose the Download option. Save the summaries to your desktop.

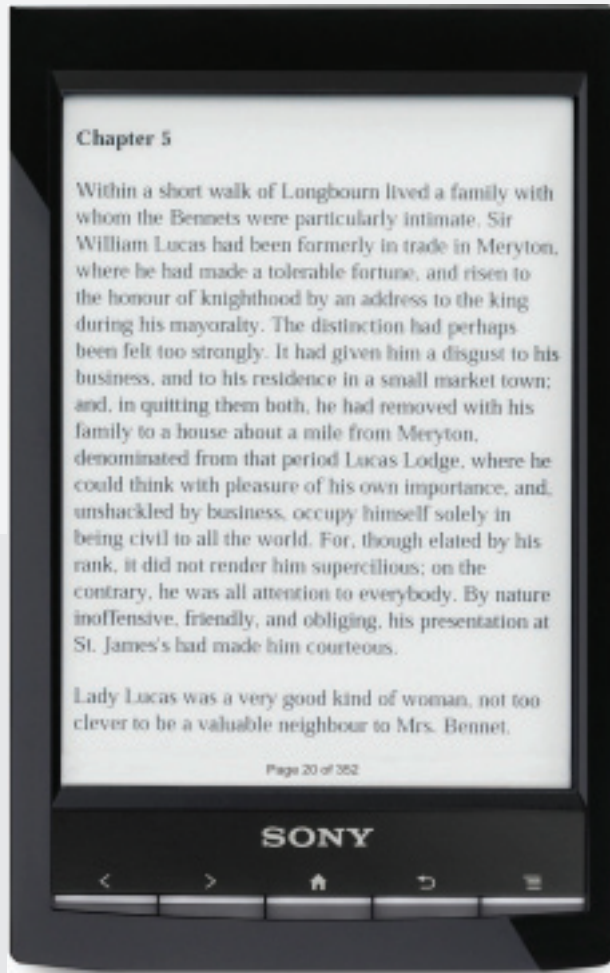

Step 2:

Connect your Sony Reader to your computer using the Sony Reader USB plug.

Step 3:

Launch the Sony eBook Library. This software can be found by going to Start Menu, All Programs, Reader, and clicking eBook Library.

A guide to getAbstract via your Sony Reader

Step 4:

Import the summaries to the Book Folder and wait for the synchronization to finish. This will automatically upload the files to your Sony Reader.

Note: For audio summaries, import the files to the Audio Folder.

Step 5:

Eject the Sony Reader from your computer and remove the device from the USB. Your summaries will be ready.
